We have been fortunate to have served so many people throughout the United States, and we feel very privileged that our products and recipes are a part of what they share with their family and friends.

For over 20 years, our catering and competition barbecue teams have developed recipes to create memorable dining experiences for our guests.

By starting our recipes with natural, non-enhanced pork and choice aged beef, we are able to provide high quality products.

Our NBBQA award winning seasonings and sauce lines provide a wide diversity of flavors and blends. Our team is committed to excellence through flavor.

Our family is proud to provide these products for you enjoyment.

We appreciate your business.

Thank You!

*Darryl Lynch*

## Baby Back Ribs

Pecan smoke compliments these sweet and tender baby back ribs. Perfectly seasoned, they can be served with your favorite sauces. These fully cooked ribs can be reheated on the grill, in the oven, or microwave any time of the year
